WHO WE ARE

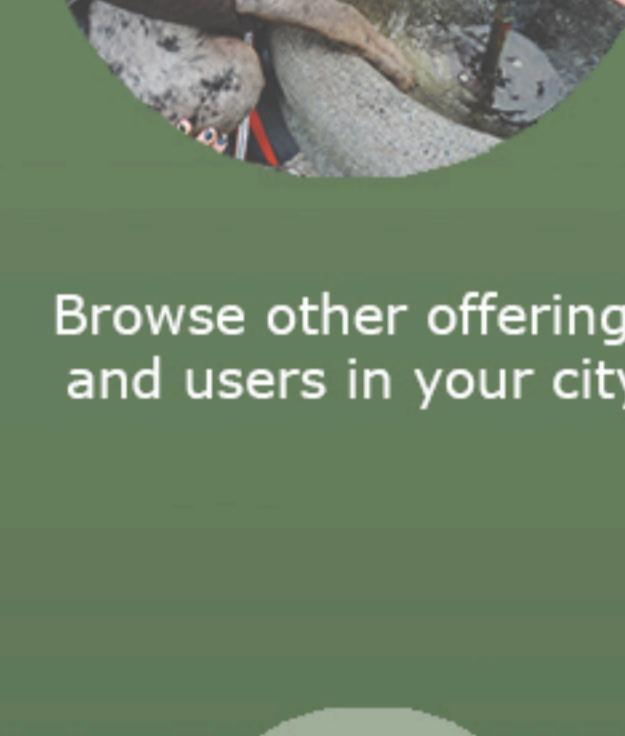

Exchange Tree facilitates the pursuit of passions, interests, and needs through exchange within communities. Through Exchange Tree, you can barter and trade your goods, skills, and knowledge with other users. Getting started is easy!

OUR VALUES

Personal Power

Remembering what we each have to offer, and honing the skills, talents, and knowledge we've accumulated by practicing them in service to others.

Curiosity and Lifelong Learning

Inviting the exploration of new interests, knowledge, and the spread of ideas, and getting out of our comfort zones by trying something new or challenging.

Accessibility

Providing a tool that enables anyone and everyone to share, explore, and achieve regardless of financial situation.

Community Building

Encouraging people to work together to accomplish what they want and need, building lasting connections and friendships in the process.

Re-Use and Responsible Living

Minimizing waste and maximizing re-use, looking locally for support within our communities.

SAFETY MEASURES

We at ExchangeTree seek to provide the safest and most satisfactory atmosphere possible through the implementation of the following:

Profiles and References

Members fill out personal profiles, including in-depth information about offered items and relevant credibility and experience. Profiles display detailed references from members who have already interacted with each other.

ID Confirmation

Members who choose the ID Confirmation option provide an official ID and verify their real names.

Exchange Messages

Prior to meeting a member in person or giving out any personal information, learn more about a member and choose the terms of your exchange through our messaging system.
